5TH NOVEMBER 2015 6PM
**HEALTHY URBAN
DEVELOPMENT:
IS IT POSSIBLE?**

**Presentation by Elizabeth Harris
followed by round table discussion**

Elizabeth Harris is Associate Professor (Health Equity) at the Centre for Primary Health Care and Equity at UNSW. She is also Director of the Health Equity Research and Development Unit at Sydney Local Health District. She also provides training on Health Impact Assessments around urban development and has recently been looking at Redfern Waterloo.

**WHY EARLY HEALTH IMPACT
ASSESSMENTS MATTER?**

**HOW SHOULD HEALTH
IMPACTS GUIDE
REDEVELOPMENT?**

**WHAT HEALTH IMPACTS
SHOULD BE ASSESSED IN
UNDERTAKING URBAN
RENEWAL?**

**WHAT KIND OF ISSUES
SHOULD BE INVESTIGATED
WHEN TURNING PUBLIC
HOUSING INTO HIGH
DENSITY PUBLIC PRIVATE
SOCIAL MIX
REDEVELOPMENT?**
