

SAVE The EVERLEIGH BLACKSMITH SHOP

Meredith Burgmann *for Mayor*

We call on the Minister for Planning, Frank Sartor, to ensure the heritage blacksmithing equipment in place in the Australian Technology Park is preserved.

We also call on the Minister to ensure blacksmithing operation sympathetic to the history of the site are continued.

“Sydney’s industrial heritage is fast disappearing and something as important as this needs to be kept,”

Meredith Burgmann, SMH, 2nd August, 2008.
