

New Southern Concourse – Option 2

Ground level pathway (Wilson St Connection)

- 6m wide concourse across the rail corridor between Marian St and Platform 1
- 3m wide ground level pathway connecting Platform 1 to Wilson St
- Fewer direct impacts on the streetscape and use of Little Eveleigh St
- Less direct route across corridor - including 7.8m rise and fall in gradient
- Short-term construction-related noise.

New Southern Concourse – Option 2
