FILMING AND PHOTOGRAPHY

If you are considering filming or photographing at the North Eveleigh, the following will help you to understand the circumstances under which approval is required, the requirements, and the process for obtaining approval for filming and/or still photography.

Guidelines defines what filming is, the requirements including development consent around heritage sites and temporary structures, the process for obtaining approval, public liability insurance requirements, and contact details for each of the sites.

Fees tells you how much it costs to apply, and the daily charge for North Eveleigh and the Australian Technology Park both inside of the buildings and out.

Application Form Should you need to obtain approval to film or photograph, this form must be filled out and lodged with the RWA, preferably two weeks before the intended commencement of filming or photographing.

For further information about North Eveleigh please contact:
