RWA CONTRIBUTIONS PLAN 2006

The RWA Contributions Plan 2006 was adopted by the Minister for Redfern-Waterloo on 2 May 2007 and came into effect on 16 May 2007.

The Contributions Plan enables the Minister for Planning and Infrastructure, when granting consent to development, to impose a condition of consent requiring the payment of a development levy, for the provision of public facilities and amenities within the RWA's Operational Area.

The Contributions Plan applies to development on land within the RWA's Operational Area for which the Minister for Planning and Infrastructure is the consent authority under the *Environmental Planning and Assessment Act*.

The Contributions Plan:

- identifies the percentage of the development levy, what development it applies to and how the amount is payable;
- details the expected development and demand for public facilities in the Operational Area; and
- identifies the public facilities and amenities to be funded from contributions collected from the Plan

The Contributions Plan has been prepared in accordance with Section 31 and 32 of the *Redfern Waterloo Authority Act 2004*, the *Environmental Planning and Assessment Act 1979* and *Environmental Planning and Assessment Regulations 2000*.
