

Maitland Steamfest - Saturday April 19th 2008

If you're looking for a great day out then look no further than this train to the Annual Maitland Steamfest festival.

Forget the all stations hassle and changing between Cityrail trains, join your diesel hauled heritage express service direct from Sydney to Maitland and enjoy a hassle free day of steam, stalls and fun at the festival.

Continuing a 23 year tradition, travel to NSW's premier steam festival by heritage train enjoying the scenic views along the route of the great northern railway from the comfort of your fully restored carriage.

Upon arrival at Maitland, the day is yours to explore the town, grab a bargain at the market stalls or perhaps join one of the Steamfest train trips to local destinations.

There are plenty of activities to suit everyone from the young to the young at heart and all within easy walking distance of the station.

After a fun filled day, rejoin your train, sit back and relax as the driving is done for you and the train takes you home.

A buffet car selling snacks will be available on the train throughout the journey and there will be numerous options for lunch at Maitland catering for all budgets and tastes.
