

Can the Waterloo South People and Place Plan deliver a successful Redevelopment?

Homes NSW has issued a report, for feedback until end May. It contains 76 actions Homes NSW say address the People and Place issues of the Waterloo redevelopment. The plan covers work with tenants, agencies, the Aboriginal community, support for health and wellbeing, feeling safe and welcome, being green and clean and accessing quality education, learning and jobs.

Homes NSW explain it in this diagram:

You can find the [Draft People and Place Plan](#) on [LAHC's Waterloo website](#)

What is missing in the People and Place Plan?
