## CAMPUS IMPROVEMENT PROGRAM 2014–20

THE UNIVERSITY OF  
**SYDNEY**

The University of Sydney has lodged a proposal with the NSW Department of Planning and Infrastructure that aims to improve the cultural, recreational, research and educational needs of our students, staff and the wider community.

### WHAT IS THE CAMPUS IMPROVEMENT PROGRAM?

The Campus Improvement Program (CIP) provides a seven-year plan for the construction of new buildings, infrastructure and accessible public domains for our Camperdown/Darlington Campus.

### CONSULTATION

Our proposal was prepared after extensive consultation with relevant state and local government authorities, and the University's faculties, schools and professional services. We invite you to review and provide your feedback on the proposal.

### FIND OUT MORE ABOUT THE PROPOSAL
